Descriptions		Cost
Kung Fu Taster Ages 5 and over only	Interested in martial arts? Want to try out something physical? We are running a taster session for those of you interested in trying out 'Kung Fu'. The session will be delivered by a professional accredited instructor. This session will go through some basic principles of Kung Fu, teach you about patience, coordination, discipline and having fun whilst trying it out! This is a physical activity, so wearing loose sports clothing is recommended.	£1.00 per child and 50p per sibling contribution
Sensory Play	Sensory play includes activities that stimulates your young child's senses: touch, smell, taste, sight and hearing. Sensory activities facilitate exploration and naturally encourage children to use scientific processes while they play, create, investigate and explore. We will be making slime, an exploding volcano, spaghetti worms, sensory squishy bags and more.	50p per child contribution
Heathway Sports day	Time to take part in our annual sports day event. We will be working in teams to try out a range of challenges such as the 'egg and spoon race', 'beanbag race', hula hoop race, obstacle challenges and many more. This is a whole family event, so the more the merrier. Please bring a small picnic to enjoy after the session. Location: Trinity School Playground – to be confirmed. Please check with us when booking. Refreshments will be made available.	50p per child contribution

Gardens Galore	It's never too early to introduce children and young people to the joys of gardening. Gardening can be a great way to bond with your children and help them understand the growth cycle. This session will include planting seeds, planting flowers, watering plants, decorating pebbles, making windmills/butterflies and decorating pots. A small snack and refreshments will be made available	£1.00 per child and 50p per sibling contribution
Family Fun	A group that encourages children with their siblings, mum, dads and carers to develop socialisation skills through structured and creative play. Activities include snack and circle time, encouraging children to try healthy fruits. This group can support learning and help parents, carers and children to make new friends.	FREE
