

Variety, the Children's Charity can make your child's future brighter

With Variety, the Children's Charity, you can provide the children in your care with a wide range of opportunities to help them reach their full potential, regardless of their background or ability.

Our work falls under various Programmes that offer funding for essential life-changing equipment for children with a serious illness, disability, or disadvantage, up to and including the age of 18. We welcome applications from individual families and children's organisations, such as hospitals, schools and disability sport projects.

Equipment Grants

We provide funding for specialist equipment.
