

## Trinity School Pupil Premium Strategy 2017-18

### Year 7 Literacy and Numeracy catch up premium 2017-18

Total amount: £13000

### Summary of Main Barriers to Educational Achievement at Trinity School

Item/Project	Objectives	Cost	Evidence and rationale for this choice:
<b>Structured Play resources- updated specifically to choose areas</b>	To improve independence and leisure; to relieve anxiety; to improve readiness for learning; to underpin key academic skills	£5250	We have been following this approach for a couple of years-this approach has secured the number of year 7 pupils making good or better progress in English, which grew from 52% in 2015 to 100% in 2017.
<b>Short term Residential Visits</b>	To improve independence, leisure skills, confidence and self esteem	£500	Using this approach has enabled pupils to develop their independence, leisure skills, confidence and self esteem as demonstrated in the School's PCOs data which is based on pupils making progress against the school aims. 100% of our year 7 pupils made good to excellent progress against the school aims.
<b>Develop outdoor areas with structured and stimulating environment</b>	To improve engagement, communication and readiness for learning to underpin key academic skills	£7250	We have been following this approach for a couple of years-The number of pupils making good or better progress overall grew from 76% in 2015 to 100% in 2017.
