

26/01/18 Lord Taverners 1st Round Boccia

Congratulations to the Boccia Team who have won the first round of the Lord Taverners Boccia competition! The scores were 14-1 and 10-1, with Trinity winning both games in spectacular fashion. Jessica captained the team to a fantastic victory with some brilliant moments from all players. Daniel opted to play the long game when it was his turn to throw the Jack which was a nail biting end however with full confidence the team executed some crucial shots. There were some truly magical moments from Jessica, Ellie and Daniel. This well deserved victory has successfully secured a place into the second round of the competition which will be held on the 20th February 2018.

I am so proud of all of the students who were such a credit to the school. Well Done Team!

Danielle Hawkins
