

## **BEST THERE IS, BEST THERE WAS, AND BEST THERE EVER WILL BE? 2/12/16**

After an incredible performance last week at the Copper Box, Trinity School Boccia team came first in The Lord's Taverners Boccia Competition this week. The school won all of its 5 fixtures with the best result being an unbelievable 14-0 victory. Every single team member played amazingly well and the whole school is very proud of its Boccia team.

Trinity is the only school that has been approached to join the National League and we have achieved this recognition through the incredible ability shown by all team members. It is appropriate to give each member a special mention so congratulations to the following pupils: Charlie Munns, Englison Hasa, Zakariya Debbache, James Cole, Thomas Murray and Eric Godefroy.

Luke Hammatt
