

Rowing Adventure! 18.10.16

Today our year 11 students experienced a main stream competition at Cobham Academy School. The great relationship between Trinity School and LYR means our students get to participate in these mainstream events. Our year 11 Boys raced against other schools and Eric Godefroy finished 4th out of 15 students and in the Girl's events Kya and Ellie finished 3rd and 4th out of 11 students. This was a fantastic achievement well done year 11!
