

Good morning to all our Trinity families

It is with great sadness and disappointment that we have had to make the decision to delay the start of after school clubs.

For every case of COVID at the school I talk with Public Health advisors. They are concerned that clubs will open up routes of transmission that we have not had to worry about so far, and therefore in consultation with the Director and Chair of Governors, I am cancelling clubs until further notice.

I will work with Luke Hammatt to keep this under review, but a key indicator will be the significant reduction in infections locally and nationally so it is unlikely that clubs will restart before Christmas.

I hope this decision will help us to reduce the possibility of transmission to our children and staff. It will help us to keep as many of our children safely in school for as long as we can.

Thank you for your understanding and support at this difficult time.

Best wishes to you all.

Susan Ball & Luke Hammat
